

DAILY ACTIVITY REPORT (DRAR)

- Report run is based on billet
- Report is a one day only report utilizing only the Start Date for its query
- Report is not live therefore running for the current day may not return all data
- Report is run by clicking on the Daily Activity button from the Production set of options
- Report will display the following information
 - ASVABs that were loaded into AFRISS (see second screen shot below) on the day queried (Institutional ASVAB lists are ignored)
 - DLAB tests
 - EDPT tests
 - MEPS Processing
 - Recruiter Avoidable Losses (RALs)
 - DEPs
 - Reservations
 - Cancellations
 - DEPs
